

Dear Parent/Carer,

Luton Race for Life
Sunday 5th July 2009

We have decided to take part in Luton's Race for Life again this year. This is a five-kilometre run for females only organised by Cancer Research UK which will take place in Stockwood Park on Sunday 5th July 2009.

The main aim of the run is to raise money for cancer research through the runners themselves acquiring sponsorship. Luton's total fundraising target this year is £196,000 and we hope to make a good contribution towards meeting this.

Challney pupils will be accompanied by members of staff. The run will start at 11.00 a.m. although the organisers ask that participants arrive an hour beforehand to give themselves plenty of chance to warm up properly. For more details about the event, please visit www.raceforlife.org.

Cancer Research UK charge a registration fee of £12.99 per runner. This covers the cost of organising and running the event and includes the cost of providing all runners with a commemorative medal. It means that all sponsorship money raised by the runners will go directly towards the work of Cancer Research UK into the prevention, treatment and cure of all forms of cancer.

Your daughter has expressed an interest in taking part. If you are happy for her to do so, please complete the consent slip at the bottom of this letter, complete the attached personal details form, and return both to me as soon as possible and by Friday 22nd May at the latest along with a non-returnable fee of £12.99. Cheques should be made payable to Challney High School for Girls.

Yours faithfully,

Alan Palmer
Assistant Headteacher
